

## Uniform

ALL BOH Crew members will need to purchase \$50 in uniform supplies and all FOH servers \$75 (amount will be deducted from your first paycheck).

What to bring for your uniform:

**Kitchen Crew** appropriate close-toed footwear and jeans/chef pants for working in kitchens. Chef hats/headgear.

**Servers** new/like new black or tan bottoms (skirts or pants) appropriate closed toed shoes. Make sure to bring some long sleeve layering t shirts to wear under your uniform at the beginning and end of season as it can be cold.

**Housekeepers** comfortable pants and shoes slip on/off (good for walking on gravel). Make sure to bring some long sleeve layering t shirts to wear under your uniform at the beginning and end of season as it can be cold.

Just a typical day at Creekside, don't worry we'll provide the mustaches! 😊

**Front Desk** Professional business casual attire. Dress shirts, sweaters, dress pants, khakis, skirts, good walking shoes for walking on gravel. NO jeans- no looking too casual. A cardigan or blazer/jacket is nice and some long sleeve layering t shirts to wear under your clothes at the beginning and end of season as it can be chilly in the front desk.
